Notice to the Public.

Realizing the great benefits that would accrue to our section of Arizona if silver were restored to its proper place in the monetary system of our country, and recognizing the fact that this can be accomplished only by concerted action on the part of the people of the whole country, the undersigned respectfully request the citizens of Cochise county to attend a meeting at the county court house, in this city, next Saturday evening at 7 o'clock, for the purpose of electing delegates to the silver convention, which will meet in St. Louis November 26, 1889.

Baron, James Nichols, E. W. Stamp, George Noddin, John Waters, William Kirlow, James Walsh, William Bayless, Sam Washburn, John Hill, John Hennessy, M. Welsh, C. Crouch, Tom Smith, C. Knapp, Wm. Mr. F. B. Weightman, of J. Frank & Co., a large mercantile firm at Yuma, who has the contract for furnishing a large per cent of the supplies used in the maintenance of the Territorial prison, was in Tucson Saturday. As it has been repeatedly stated by certain papers in the Territory that people who were furnishing supplies for the penitentiary and other Territorial institutions were unable to get any money on warrants issued by Auditor Thomas Hughes, Mr. Weightman was sought for definite information regarding this matter. To a representative of the Citizen he stated that his firm had received warrants from Auditor Hughes amounting to about \$3,000, which were disposed of at par to the First National Bank at Phenix. This leaves no room for further quibbling on this subject. It is also learned that Mr. S. S. Gillespie, of Yuma, also received the cash, dollar for dollar, for \$600 in warrants received from Auditor Hughes.—Citizen.

Diamond Joe Reynolds is now negotiating for the purchase of Mr. Bullock's railroad. When this is accomplished the northern road will be speedily finished.—Phenix Gazette.

Parents should be careful that their children do not contract colds during the fall or early winter months. Such colds weaken the lungs and air passages, making the child much more likely to contract other colds during the winter. It is this succession of colds that causes catarrh and bronchitis or paves the way for consumption. Should a cold be contracted, lose no time but cure it as quickly as possible. A fifty cent bottle of Chamberlain's Cough Remedy will cure any cold in a few days and leave the respiratory organs strong and healthy. For sale by H. J. Peto.
